PANCHSHIL TOWERS

A life cultivated with detailed perfection in manner and taste,
a journey refined with honoured experiences,
for a lifestyle that embraces beauty,
ease and elegance.

We bring the finest of the world to you,
where the foundation is laid on excellence
and construction practices are bred from innovation,
for a life that embodies the true essence of luxury, every day.

A life, that is quintessentially curated for you to
live the moments draped in opulence,
the moments that are endless.

INDIA'S FINEST Luxury Real Estate Developer

A bearer of the state-of-the-art construction practices, Panchshil is India's pre-eminent real estate developer which emerged in 2002, and has played a noteworthy role in changing skylines.

It has successfully delivered over 21 million sq. ft. of prime real estate with 20 million sq. ft. under construction, and has brought an international recognition to Pune by partnering with prestigious global brands like The Trump Organization, JW Marriott, The Ritz-Carlton, and the World Trade Centers Association.

By proficiently delivering high-end residential spaces, built-to-suit office spaces, special economic zones (SEZ), luxury hotels and retail malls, Panchshil has received multiple awards and cultivates innovation to render premium execution and after sales management.

PANCHSHIL TOWERS

Globally proven, eco-friendly building technique - Dry Construction Technique (DCT), and pre-fabricated bathrooms fitted directly into the apartments - TheBathPods - have been used ensuring reduced construction timelines, faster delivery and easy maintenance. The "green" DCT is supplemented with MIVAN, a versatile aluminium formwork construction technique that makes the building seismic resistant, and offers it strength and durability.

Pioneering Technology

Other Tech Features:

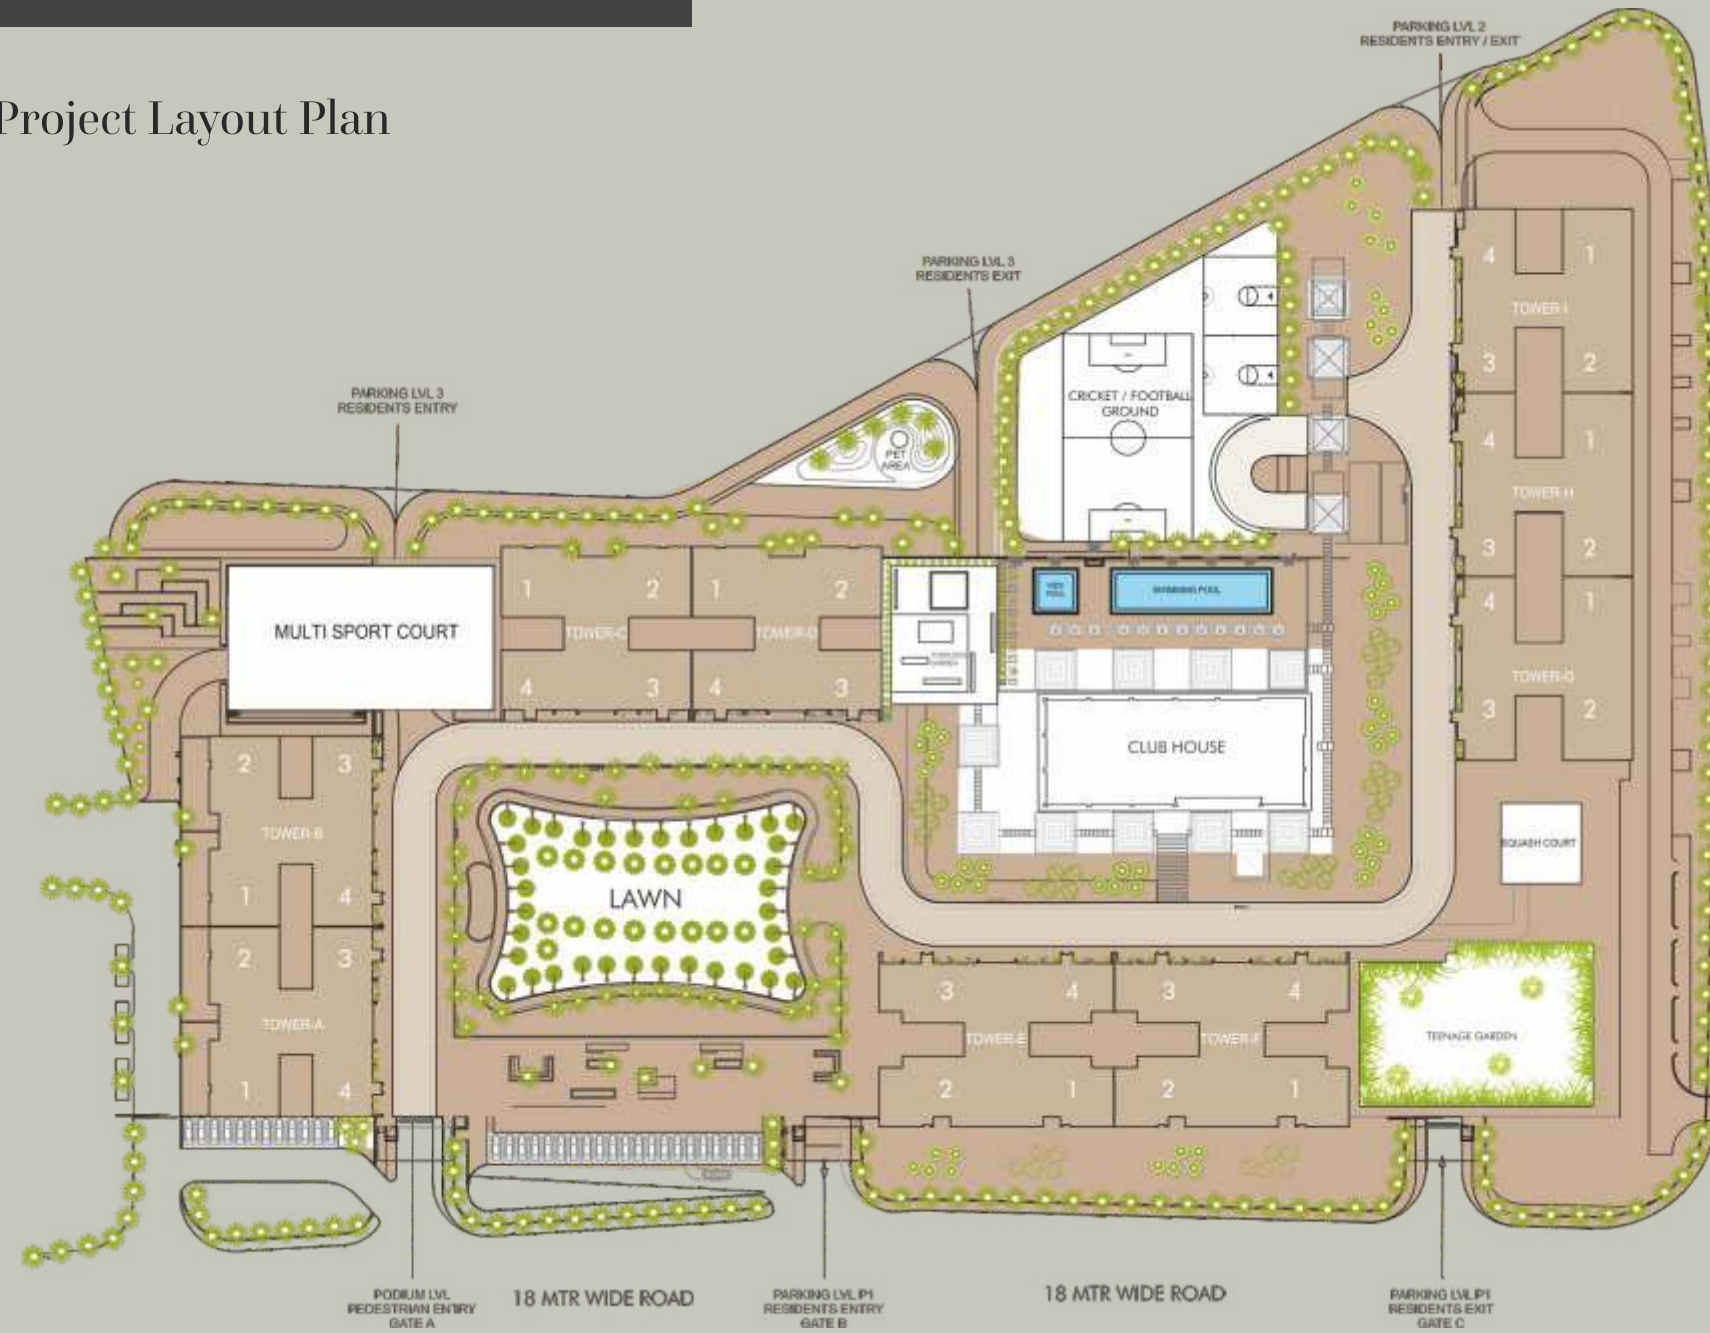

- Double glazed low-emission glass by Asahi
- Doors by Braga (Italy)
- Switches by Schneider/Hager
- Smoke Detection by Siemens
- Sanitary ware by Duravit
- Bathroom Fittings by Grohe/Jaquar
- Centralized Boiler by AO Smith
- 3-in-1 Yale Locking systems with exclusive access via key, password, and biometric
- Centralized AC with VRF cooling for temperature control & ambient cooling
- Super fast Mitsubishi elevators with max speed of 2.5 mps
- Viega firefighting system from Germany in the apartment
- Non-welded plumbing systems from Viega/Geberit, ensuring zero chances of corrosion or leakage
